Impact & Goals: What We Aim to Achieve:

- Our goal is to establish 7000 home gardens by December 2024.
- Create a sustainable model for community food security and post-disaster recovery and resilience that can be replicated in other regions.
- Foster a culture of local food production and consumption that lasts for generations.

Support
Company**

What is Food Security Drive?

The National Food Security Drive is a collaborative initiative between the Zero Hunger Trust and the Farmers Support Company aimed at reducing food insecurity by promoting local food production, sustainable agriculture, and nutrition education in our communities. In the face of rising food prices and climate change, this drive is essential for building resilient food systems that support both our present and future generations.

Assistance Offered

- 🕒 Seeds/ Seedlings
- 🕒 Starter Kits
- 🕒 Training
- 🕒 Mentoring

Why does it matter?

Food security is vital for the health and well-being of our communities. Access to nutritious food is a fundamental human right, yet many families struggle to put food on the table.

Through this drive, we aim to empower communities, improve access to affordable healthy foods, and foster self-sufficiency.

Key Programs & Initiatives

Phase 2 |

- School Gardens & Feeding Program: Supporting schools in establishing gardens to provide fresh produce for school feeding programs, enhancing student nutrition.
- Community Gardens & Markets: Helping communities create gardens and markets to improve food access and promote local produce.

How can you help?

Phase 1 | Eat What You Grow Campaign

● **Training & Capacity Building:** Offering workshops, training or mentorship, sessions on sustainable farming practices, garden establishment and nutrition education for farmers, students, and community members.

● **Zero Hunger Ambassadors:** Engaging volunteers to raise awareness and promote participation in food security efforts within their communities.

Promotions, Social Media Campaigns and Competition: Encourage and Reward participation.

Plant Today: Establish your home garden and encourage others to do the same.

Become a Partner: Join us as a partner or sponsor and contribute to our mission of achieving food security.

Volunteer Opportunities: Share your time, skills, or resources to support our initiatives. We welcome volunteers of all ages! Register!

Donate: Every contribution counts! Help us sustain our programs by making a donation.

Spread the Word: Help us raise awareness! Showcase your gardens .
